### **MCEVANS/SHAW HIGH SCHOOL'S ELECTRICAL FIRE CAUSES STUDENTS TO RETURN HOME**

Students were dismissed from school with a possible return date of Monday, October 29, 2018, due to Electrical Fire in a computer lab.

Shaw, MS (October 23, 2018) [West Bolivar Consolidated School District, McEvans/Shaw High School], had an Electrical Fire in a computer lab that caused students to return home upon their arrival to school.

McEvans/Shaw High School will remain closed possibly until the end of the week. Hopefully, students will return back to school on Monday, October 29, 2018. Parents will be updated daily through the AIMS notification system and the District Webpage: [www.wbcsdk12.org](http://www.wbcsdk12.org).

Beverly Culley  
Superintendent of Education
