PARENTS RIGHT TO KNOW

Dear Parents and/or Legal Guardians:

In accordance with ESSA (Every Student Succeed Act) Section 1112(e) *PARENTS RIGHT-TO-KNOW*, the West Bolivar Consolidated School District is required to notify parents or legal guardians of a student in a Title I school that you have the right to request and receive information on the professional qualifications of your child's classroom teachers and paraprofessionals.

As a parent or legal guardian, you have the right to request the following information on:

- Whether the teacher has met state qualifications and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
- Whether the teacher is teaching under emergency or other provisional status through which state qualification or licensing criteria have been waived;
- Whether the teacher is teaching in the field of discipline of the certification of the teacher; and
- Whether the child is provided services by a paraprofessional and, if so, their qualifications

In addition to the information that parents may request, a school that receives federal funds under ESSA shall also provide to each individual parent the following:

- Information of the level of achievement of your child in each of the State academic assessments required under the section of the law; and
- Timely notice that your child has been assigned, or been taught for four or more consecutive weeks by a teacher who does not meet applicable state certification or licensure requirements at the grade level and subject area in which the teacher has been assigned

If you wish to request information or have any other questions about any of the aforementioned information, please contact me at your earliest convenience at (662) 759-3525 or by email at ntowers@wbcsdk12.org

We look forward to your continued support and engagement throughout the school year.

Sincerely,

Nathan Towers
Director of Federal Programs

Cc. Dr. Beverly Culley, Superintendent
