November 17, 2020

Greetings Class of 2021,

First, we would like to congratulate you on this momentous accomplishment! Your high school chapter is near an end; moreover, long term dreams and expectations await each of you, as you embark upon new endeavors.

As we prepare for the occasion, there are a few things we desire for you to know now. They are as follows:

- **West Bolivar Consolidated School District will share a unified graduation.** We are in the process of finding a central location to accommodate both schools. Information will be forthcoming.
- No definite date for graduation has been set; however, some tasks must be attended to ensure a smooth process. With that being said, the graduation fee for caps and gowns is \$61.00 and we are asking you to pay the fee as soon as possible, or **no later than December 7, 2020.**
- As new information unfolds regarding graduation, correspondence will be sent out via video, School Status, or by district memo. **Please, read all correspondence regarding graduation. We would not want you to miss important information.**

Once again, congratulations on your senior year! We look forward to helping you transition from high school to your chosen path!

We're Stronger Together,

West Bolivar Graduation Committee
