Greetings from your Superintendent

Dear Faculty and Staff:

It is with great excitement that I embrace this opportunity to serve the staff, students, parents, and strategic partners of the West Bolivar Consolidated School District. It is a very humbling experience to have grown from a first-year teacher in Bolivar County in 1999, to now serving as your superintendent. Our mission and vision statements in WBSCD have charged us to ensure that our students are high-achieving, productive members of society, and we will do just that!

This school year, we will work to significantly improve each school's performance rating, but our focus will be preparing our students for the **Big Four: Enrollment, Employment, Enlistment, and Entrepreneurship.**

Our students deserve for us to “get it right,” and to do that, we will have to work together. We do not have a moment to lose. We must work intentionally to maximize our time, resources, and talents to ensure student achievement. I am looking forward to a successful year with your help.

Stronger Together,

Mr. John I. Taylor, Superintendent

PROFESSIONAL PERSONNEL (REDUCTION IN FORCE) –

Policy GBKAR

The Board of Trustees has the responsibility for providing and maintaining quality schools within the district. In order to carry out its responsibility, the board may: (1) abolish or combine job positions, (2) reduce the length of the work year with a concomitant reduction in salary (the same to be in no event less than 187 days per contract year), (3) reduce administrative supplements, (4) reduce the number of employees. Initially, staff reduction will be accomplished by attrition.

When reducing the number of licensed employees, the board will take into account the following reasons for such reduction in force:

1. Enrollment declines,
2. Financial decline/reduction
3. Educational program(s) elimination, and
4. Priority need for human, material, and financial resources.

The primary objective of the board when reducing the work force will be the maintenance of a fair and balanced educational program consistent with the needs of the students and the functions and responsibilities of the school district. When deciding reduction in force, the board will consider the following factors, not necessarily in the order listed:

1. Criticality of the position to the mission, goals, and objectives of the school district
2. Subject area(s) and advanced degrees by certification.
3. Experience, professional training, length of service within the district and work assignment.
4. Quality of performance including the proven ability to accomplish the educational mission of the school district.
 1. Executive ability.
 2. Employee attendance and discipline history.
 3. Skills and licensure in the area(s) where the district has instructional and/or supervisory needs.

When an excess of staff occurs in any area of work for any reason, (i.e., decrease in pupil enrollment, decrease or elimination of funding) renewal of contracts for the next school year shall be withheld for personnel having the most recent date of employment by the West Bolivar.

EQUAL EMPLOYMENT OPPORTUNITY – POLICY GAAA

West Bolivar Consolidated School District is committed to equal employment opportunity. The District will not discriminate against

employees or applicants for employment on any legally recognized basis including, but not limited to race color, religion, sex, sexual orientation, national origin, disability, age, creed, marital status and/or any other state or federal requirements or classifications. Employees may discuss equal employment opportunity-related questions with the Superintendent.

STAFF COMPLAINTS AND GRIEVANCES – POLICY GAE

As the primary means of solving staff complaints and grievances, the board expects each administrator to:

1. discover and practice effective means of resolving differences that may arise among employees and administrators.
2. reduce potential reasons of complaints and grievances; and
3. establish and maintain recognized channels of communication between the staff, administration, and board.

When and if the primary means fail, the administration shall have established, and the board shall have approved formal procedures for the prompt and equitable adjustment of serious grievances. In this context, a serious grievance shall be defined as:

...a disagreement involving the work situation in which one individual or group of individuals believes that an injustice has been done because of a lack of policy or because of a policy that is unfair, deviation from, or misapplication, or interpretation of a policy or contract. Policies dictated by law are not included in this definition.

Such procedures shall provide for the resolution of grievances at the lowest possible administrative level and for ultimate appeal of any unresolved grievance to the board. In the resolution of grievances, hearing at all administration levels shall be:

1. Conducted in the presence of the administrator who made the ruling which is the subject of the grievance and the presence of any other staff member personally involved.
2. Held only after due written notification to all persons concerned.
3. Free from interference, coercion, restraint, discrimination, or reprisal.

4. Held in private, with only the persons involved and/or their representatives present.
5. Summarized in writing or on tape, with an official record kept for the district.

At all hearing levels, the employee or an employee group involved shall at his/her own expense, have the right to be represented by legal counsel. Either party to the dispute shall have the right to call and cross-examine witnesses.

Reasonable time limits, as set forth in the procedures for implementing this policy shall be observed by the person or group presenting the grievance, by the administration, and by the board. No employee shall suffer a reprisal or reduction in status as a result of having presented a grievance for review or of having represented an employee in a grievance.

FAIR LABOR STANDARDS POLICY – POLICY GCRAA

PURPOSE

The purpose of this policy is to ensure that the West Bolivar Consolidated School District is in compliance with the requirements of the Fair Labor Standards Act (FLSA), 29 U.S.C. ' 201 *et seq.*

EXEMPT EMPLOYEES

Certain employees are exempt from coverage of the FLSA and are not subject to compensation for overtime work. Exempt employees include executive, administrative and professional employees. Examples include, but are not limited to, certified professional employees such as teachers, counselors, supervisors and administrators. Certain non-certified administrators are also exempt and include business managers, transportation directors, maintenance directors and other similar administrative and supervisory positions. Supervisors should seek advice from the school board attorney if there is a question whether a position is exempt.

COVERED EMPLOYEES

Employees in the job classifications listed below are generally considered to be non-exempt and are covered by the FLSA unless a specific exception exists. In those instances, the reasons for the exempt status will be specifically outlined.

Secretaries	Bookkeepers	Clerks
Mechanics	Janitors	Cafeteria Personnel
Assistant Teachers	Substitute Teachers	Bus Drivers
Security Data	Entry Operators	Maintenance Personnel

In some instances, employees may perform dual jobs for the District, such as bus driver/maintenance worker. If duties of the two jobs require the employee to work overtime, the amount due will be calculated using the method described below under OVERTIME PAY.

EMPLOYMENT RELATIONSHIPS

No employment relationship is created between student teachers or students and the District due to the circumstances surrounding their activities.

No employment relationship is created between the District and individuals who volunteer and donate their services to the District as a public service without contemplation of pay.

The hiring of off-duty policemen or deputies on a part time basis by the District for crowd control or for security purposes does not create a joint employment relationship between the District and the city or county with which the policemen or deputies are employed. The District is separate and distinct and acts entirely independent of other governmental entities.

HOURS WORKED

The work week for the West Bolivar Consolidated School District begins on Sunday and ends on Saturday. Each employee subject to the FLSA shall be paid for all hours worked. Compensable time includes all time that an employee is required to be on duty. Coffee breaks, waiting time and meal periods, which are frequently interrupted by calls to duty, are hours worked and are compensable.

Hours worked shall be accurately recorded by each employee on the monthly or weekly time sheet in the form which is provided by the District. Employees using time sheets shall furnish all information requested and shall record the exact time of arrival and departure from work.

Employees are expected to arrive and depart at the time specified by his/her supervisor unless requested to work overtime by his/her

immediate supervisor. All overtime shall be recorded by each employee on the time sheet or timecard. Only actual hours worked count towards computing weekly overtime. Hours worked means “actual hours on the job exclusive of holiday pay, sick, personal and vacation time used”. **All overtime must be approved in advance by the Superintendent.**

No overtime shall be worked without prior written permission by the employee's immediate supervisor. In the event of emergencies requiring work in excess of 40 hours in a work week, the employee shall inform his/her supervisor as soon as practicable regarding the overtime worked.

BREAKS AND MEAL PERIODS

Although not required by the FLSA, employee should be allowed coffee breaks of no more than 15 minutes when appropriate. The time of day for breaks and their length shall be determined by each employee's immediate supervisor.

Meal periods for some employees shall be counted as hours worked since they are frequently interrupted by calls to duty and therefore are compensable. Those employees with bona fide meal periods of 30 minutes or more shall be completely relieved of duty for the purpose of eating a regular meal and shall not be required to perform any work during that meal period.

MINIMUM WAGE

All employees subject to the FLSA shall be paid not less than the current minimum wage.

OVERTIME PAY

It is the policy of the District that compensation for overtime work will be paid in the form of compensatory time off. Compensatory time shall be awarded on the basis of 1 ½ hour for each hour of overtime worked. An employee will not be permitted to accumulate more than 240 compensatory time hours (160 regular hours). Employee must take the compensatory time when it is agreeable with his/her supervisor. However, the supervisor's consent shall not be unreasonably withheld.

In the event the District decides to pay for overtime work in the form of monetary remuneration, the employee shall be paid not less than 1 ½ times his/her regular rate of pay for all hours worked over 40 hours in a work week. Overtime pay due an employee shall be computed on the basis of

hours worked in each work week.

For employees paid on an hourly rate, the overtime will be based on that hourly rate. For employees paid on a salaried basis, the monthly salary will be reduced to its weekly hourly rate, from which overtime compensation will be calculated. Employees shall be paid for each and every hour worked.

For those employees working 2 or more jobs for the District, overtime pay shall be calculated on the basis of a blended hourly rate on all jobs worked calculated by dividing the total amount of remuneration received in a work week by the total hours worked in that work week. The employee shall be paid one-half of the blended hourly rate times the number of hours worked over 40.

ADJUSTMENT OF SCHEDULES

Supervisors may adjust schedules within a work week to prevent the necessity of an employee working more than 40 hours in that work week.

RECORD KEEPING

The Superintendent shall require all records on wages, hours and other items to be maintained in accordance with the FLSA. Wage and Hour posters shall be displayed at each District worksite.

ENFORCEMENT

District shall, at all times, cooperate with authorized representatives of the Department of Labor who may visit a work site. If an employee believes he/she has not been paid in accordance with the FLSA, the employee shall notify his/her supervisor and the Superintendent. Employees who believe they have not been paid in accordance with the FLSA may file a complaint with the United States Department of Labor. The District shall not retaliate in any manner whatsoever against an employee for the filing of such complaints.

District employees responsible for supervising employees subject to the FLSA who willfully violate the terms of this policy shall be subject to disciplinary action by the District. Any disciplinary action taken by the District will be in addition to any relief granted an employee by the U. S. Department of Labor or a court of law.

- ii. The maximum amount of unused accumulated personal leave that an employee may donate to any other employee may not exceed a number of days that would leave the donor employee with fewer than seven (7) days of personal leave remaining, and the maximum amount of unused accumulated sick leave that an employee may donate to any other employee may not exceed fifty percent (50%) of the unused accumulated sick leave of the donor employee.

Reasonable corporal punishment of a student is permitted as a disciplinary measure in order to preserve an effective educational environment which is free from disruption and is conducive to furthering the educational mission of the board. The superintendent shall establish and enforce rules and regulations governing the administration of corporal punishment which are consistent with the following requirements:

1. Corporal punishment shall be administered only after less stringent measures such as counseling, parental conferences and other forms of discipline have failed to produce the desired results, unless the conduct of a student is of such an extreme nature that corporal punishment is the only reasonable form of discipline under the circumstances.
2. Any corporal punishment shall be reasonable and moderate and may not be administered maliciously or for the purpose of revenge. Such factors as the size, age and condition of the student, the type of instrument to be used, and the amount of force to be used and the part of the body to be struck shall be

- considered before administering any corporal punishment.
3. Corporal punishment may be administered only by a school administrator or his/her designee

Corporal punishment administered in a reasonable manner by a teacher, principal or assistant principal acting within the scope of his employment or function and in accordance with any state or federal laws or rules or regulations of the State Board of Education or the local school board does not constitute assault, simple assault, aggravated assault, battery, negligence or child abuse. STUDENT RESTRAINT & SECLUSION – POLICY JCBA

In accordance with MS Code §37-9-69 and §37-11-57, it is recognized that instructional and other staff may be called upon to intercede in situations wherein students may be displaying physically violent behavior or non-compliant behavior.

District policy positively prohibits the use of excessive force, or cruel and unusual punishment regarding student management. Staff may, however, use restraint techniques to control and restrain a student when they have a reasonable belief that:

- 1) The student is a danger to himself.
- 2) The student is a danger to others.
- 3) To prevent the destruction of property.
- 4) If the student refuses to move from location to another after being so ordered.

Any use of restraint will be preceded by the following verbal intervention:

- 1) Ask for assistance from other staff.
- 2) Ask the student to comply.
- 3) Advise the student they will be restrained if the behavior does not cease.
- 4) Order the student to desist in the behavior.
- 5) Restrain the student.

This continuum is not meant to prevent immediate restraint if so warranted. Under all circumstances, without exception, the student is to be restrained at the location the behavior occurs. Students will not be sequestered for restraint application. Restraint is to be applied only until compliance is met and the student is no longer a danger or is compliant. Under absolutely no circumstances will restraint techniques be used as a punishment. If the student is non-compliant with verbal intervention, the staff member should, if physically possible, apply any of the restraint techniques that have been taught by the district. Staff is cautioned to use common sense and sound judgment in responding to student altercations. For example, a 5'2" teacher cannot be expected to restrain a 6', 200-pound football player.

Acceptable restraint techniques include but are not limited to:

- 1) Passive Restraint System (MDE System)
- 2) Pressure Point Control Techniques

- 3) Any generally accepted law enforcement restraint techniques
- 4) MANDT System
- 5) Crisis Prevention Institute (CPI)

Site supervisors will ensure that restraint reports are completed and immediately forwarded to the Superintendent and include the following information:

- 1) Previous history of disciplinary action,
- 2) Events precipitating (who, what, when, where, why) the use of restraint to include statement of reasonable belief. Include verbatim statements of student,
- 3) Exact type of restraint methods and hold utilized,
- 4) Level of resistance displayed by student during restraint to include language and behavior,
- 5) Subsequent action after control was achieved.
